

Instructions for Completing and Submitting Your Summer EBT Application

1. Completing the Application Form:

- Please fill out all sections of the application form accurately and completely.
- Ensure that all information provided is legible and correct to expedite the eligibility determination process.
- If you need assistance or have questions while completing the application, please contact summer.ebt@ped.nm.gov.

2. Submission Guidelines:

- You can submit the application form using one of the following methods:
 - Online: <https://summerebt.nm.org>
 - Mail:

NMPED

300 Don Gaspar Ave, Santa Fe, NM 87501

Attn: Summer EBT / SSWB

- Please ensure that the application is submitted by the specified deadline to avoid delays in processing.

3. Notification for Household Moves:

- If you are planning to move or have recently moved, please be aware that you should apply for benefits in the state where your child will be completing or has completed the school year immediately preceding the summer operational period.
- This ensures that your benefits are issued from the appropriate state based on your child's school enrollment.

4. Additional Assistance:

- If you have recently moved or have questions about your eligibility based on your current location, please contact summer.ebt@ped.nm.gov for guidance.
- We are here to assist you throughout the application process and ensure that you receive the benefits you are entitled to.

Thank you for your cooperation in completing and submitting your Summer EBT application. Your participation in the program helps ensure that children have access to nutritious meals during the summer months. If you have any further questions or concerns, please do not hesitate to reach out for assistance.
